Wayside Media LLC

Your source for video editing and voice-over.

Who We Are

Wayside Media LLC is a small media production company, focusing on video editing for small to medium-sized projects.

We're based in the city of Caribou, Maine, noteworthy for being the northeastern-most city in the United States and also having some of the coldest winters in the nation.

What We Do

Our goal is to create great video content for our clients in all sorts of areas!

Currently, we're busy building up Riverbed Art, a small online store that sells art made by local artists in and around Caribou and throughout Maine (hopefully).
